

TRUSTEES' MEETING

COMMITTEE ASKS SURVEY FOR EXTENSION OF SYCAMORE CANYON ROAD

The Board of Trustees met in regular session at the City Hall at 8:10 p. m. February 14, 1918. All members present at roll call.

The minutes of the last regular meeting were read and approved.

A communication was read from Spencer Robinson and other members of the Railroad Committee of the Chamber of Commerce, requesting the Trustees to authorize the City Engineer to make necessary surveys to determine which is the best of three possible routes under consideration by the Committee for the extension of Sycamore Canyon Road from a point 380 feet South of Ninth street, East of Adams street, in a southwesterly direction to a junction of Brand boulevard at Cypress street. On motion of Trustee Grist, the communication was ordered to be received and filed, and the Engineer instructed to proceed with this work at an expense not in excess of \$250.

The report of the Tax Collector for the week was received and ordered to be filed.

A communication was read addressed to the Mayor from the Committee on Public Information, Washington, D. C., requesting to be furnished with a list of organizations in Glendale doing Americanization work, with the name and address of the President in each case; the Committee also desires the names and addresses of all organizations of foreign born residents. On motion of Trustee Muhleman, the communication was referred to the City Manager in connection with the City Marshal to secure the information, and reply.

A communication was read from the Secretary of the Chamber of Commerce requesting that the trustees appropriate the necessary sum for paying the rental of the room occupied by the Chamber of Commerce. On motion of Trustee Jackson, referred to the Committee of the Whole.

On motion of Trustee Grist, it was ordered that bids for the collecting or purchase of garbage, be opened, read and publicly declared.

The following bids were opened, read and publicly declared:

Carpi Brothers, Glendale—proposing to collect and dispose of swill and garbage, using a truck and removing the swill daily, and other household refuse once or twice a week for the sum of \$250 a month.

Tom Shima—submitting a proposal to collect garbage in accordance with the terms of the city's plan; to collect garbage daily in the business district and biweekly in the residential district for a period of one year, and will pay the city the sum of \$100 for exclusive right to collect the same; for two year contract, as above, will pay the sum of \$200 for the period.

K. H. Garo and G. J. Abajian—1st To collect and remove all the garbage for the sum of \$4.00 per day.

2nd. To pay the city for all garbage \$15 per month, the city to deliver to the bidder's hog ranch one mile beyond the city limits.

On motion of Trustee Muhleman, the bids were referred to the Committee of the Whole.

A communication was presented from the City Clerk, stating that he had appointed Mr. J. W. Stauffacher Deputy Assessor, and requesting that the Board by resolution confirm the appointment.

On motion, Resolution No. 983, "A Resolution of the Trustees of the City of Glendale confirming the appointment of J. W. Stauffacher as deputy assessor," was taken up for reading. On motion of Trustee Muhleman, the same upon being read, was adopted.

A communication was read from the City Manager recommending that the Trustees establish the daily wage of laborers employed by the City of Glendale at \$3.00 per day, effective February 1, 1918.

On motion, Resolution No. 984, "A Resolution of the Board of Trustees of the City of Glendale fixing daily wage of laborers employed by the City of Glendale," was taken up for reading. On motion of Trustee Grist, the same upon being read, was adopted.

A communication was read from the City Engineer calling attention to an error in his letter addressed to the Board on May 24, 1917 in regard to salary, whereby it was made to appear that he had requested that the salary be reduced to \$40 a month instead of by \$40 per month as understood by the Board and himself at the time. On motion of Trustee Grist, the communication was

ORDINANCE NO. 323

AN ORDINANCE OF THE CITY OF GLENDALE DECLARING THE INTENTION OF THE BOARD OF TRUSTEES OF SAID CITY TO CALL AN ELECTION IN THAT PART OF THE CITY OF GLENDALE CONTAINED WITHIN THE BOUNDARIES OF A PROPOSED MUNICIPAL IMPROVEMENT DISTRICT, TO BE KNOWN AS "MUNICIPAL IMPROVEMENT DISTRICT NO. 1, OF THE CITY OF GLENDALE," FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF AUTHORIZING THE ISSUANCE AND SALE OF BONDS OF SUCH DISTRICT.

WHEREAS, a petition was filed in the office of the City Clerk of the City of Glendale on the 4th day of February, 1918, requesting that proceedings be taken in pursuance of an Act of the Legislature of the State of California, entitled, "An Act to Provide for the Formation of Districts within Municipalities, for the Acquisition or Construction of Public Improvements, Works and Public Utilities; for the Issuance, Sale, and Payment of Bonds of such Districts to meet the Cost of such Improvements, and for the Acquisition or Construction of such Improvements," Approved April 20th, 1915, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, rights of way, waters, water rights, easements, structures, pipes, pipe lines, apparatus, and other property, and the construction of mains, conduits, and other works necessary for such purpose, and,

WHEREAS, it appears and is hereby found that said petition is signed by not less than ten (10) per cent of the qualified electors residing in the territory which is proposed to be formed into the said Municipal Improvement District, and,

WHEREAS, the public interest and necessity require that proceedings be taken as requested in said petition; NOW THEREFORE, the Board of Trustees of the City of Glendale, do ordain as follows:

SECTION 1: That it is the intention of the Board of Trustees of the City of Glendale to call an election in that certain proposed Municipal Improvement District having boundaries as hereinafter described, or as may be changed in the manner provided in the aforesaid Act, for the purpose of submitting to the qualified electors of said District the proposition of authorizing the issuance and sale of bonds of such district in the manner prescribed in said Act, approved April 20th, 1915, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District including the acquisition of lands, rights of way, structures, easements, waters, water rights, pipes, pipe lines, apparatus, and other property, and the construction of mains, conduits, and other works necessary for such purposes.

SECTION 2: That the exterior boundaries of the proposed Municipal Improvement District to be known as Municipal Improvement District No. 1, of the City of Glendale, are bounded and described as follows, to wit:

Beginning at the northwest corner of Lot 45 of Watts' Subdivision of a part of the Rancho San Rafael, as per map recorded in Book 5, pages 200-201 of Miscellaneous Records of Los Angeles County, California, said corner being situated upon the south line of that certain 97.2 acre tract of land allotted to Julio Verdugo, as shown on the map filed in District Court case No. 1621 of aforesaid Los Angeles County; thence westerly along the south line of said 97.20 acre tract of land to the southwest corner thereof; thence northerly along the westerly line of said 97.20 acre tract of land to the southeast corner of Lot 1 of the "Subdivision of Lot 24 of Watts' Subdivision of a part of the Rancho San Rafael," as per map recorded in Book 36, Page 4, Miscellaneous Records of aforesaid Los Angeles County; thence westerly along the southerly lines of Lots 1, 2, and 3 of said subdivision, to the southwest corner of said Lot 3; thence southerly along the westerly line of said Subdivision to a point midway between the center lines of Ninth Street and Acacia Avenue (formerly Tenth Street); thence westerly along a line midway between the center lines of said Ninth Street and Acacia Avenue to the easterly line of "E. S. Butterfield's Subdivision," as per map of same recorded in Book 18, page 29, Miscellaneous Records of aforesaid Los Angeles County; thence along the easterly line of last mentioned Subdivision to the southerly line of Lot 9 of said "E. S. Butterfield's Subdivision," produced easterly; thence along the production of, and along the southerly line of said Lot 9, and along the southerly line of Lot 10 of said Subdivision and its production westerly, to the westerly line of Glendale Avenue; thence along the westerly line of Glendale Avenue to a point midway between the north and south lines of Lot 30 of "Watts' Subdivision of a part of the Rancho San Rafael as afore referred to; thence westerly along a line drawn midway between the north and south lines of Lots 30 and 29 of said Watts' Subdivision, and the production westerly of said line, to the

VERNON CASTLE KILLED

FAMOUS DANCER, CAPTAIN OF BRITISH ROYAL FLYING CORPS, FALLS WHILE INSTRUCTING CADET IN TEXAS

(Special Service to Glendale Evening News)

FORT WORTH, Texas, February 15.—Vernon Castle, famous dancer and aviator, was killed in a short fall here this morning. Castle had made more than 300 flights over the German lines in Flanders and had many thrilling fights with enemy machines but had never been injured. He came here in October with Lord Wellesley's squad as instructor. He was trying to land while instructing an American cadet. His machine swerved while trying to avoid a collision with another machine. Castle was a captain in the British Royal Flying corps. He was the highest paid dancer in the history of this country. During the height of the dancing craze his salary averaged \$6000 a week.

READY TO ACT AGAINST STRIKERS

CARPENTERS WHO THREATEN TO TIE UP EASTERN SHIP YARDS ADVISED TO RETURN TO WORK

(Special Service to Glendale Evening News)

WASHINGTON, February 15.—The government is ready to take sharp action against striking carpenters who threaten to tie up eastern ship building yards. Chairman Hurley of the shipping board warned the strikers "with friendly advice," to go back to their work immediately. If this advice is disregarded an ultimatum will follow and if the ultimatum is ignored the president will act.

TOLEDO MENACED BY FLOODS

MASSIVE ICE GORGE AT ENTRANCE TO MAUMEE BAY BACKS UP WATER INTO STREETS OF CITY

(Special Service to Glendale Evening News)

TOLEDO, Ohio, February 15.—Toledo is threatened with one of the most serious floods in its history. Thousands of tons of ice are lodged at the entrance of Maumee bay, forming a massive gorge. Water backing up from this is flooding the first floors of factories and stores. Water street, one block from the river, is under four feet of water. Eighty per cent of the industries in Toledo are facing a shut-down. The power plant is in the danger zone and the city may be in darkness tonight.

RED CROSS OPEN HOUSE

ENTHUSIASTIC CROWD VIEWS HEADQUARTERS AND INSPECTS WORK

An audience which filled all chairs and available standing room in the main portion of the Red Cross workroom, which overflowed the anteroom and finally expanded into the surgical dressings department, responded to the invitation to attend the housewarming of the Glendale Red Cross Chapter. It was an intensely interested and enthusiastic audience, and it will do doubt bear fruit in accessions of members and workers. A good many enrolled right there, and all were very proud of their Chapter.

Dr. Henry R. Harrower extended greetings of welcome and set the key for the meeting with a few inspiring words. He also chipped in at intervals throughout the program with appropos explanations and admonitions so there was no chance for a dull moment even while musicians were struggling through the crowd to get to the piano.

The longest speech was made by A. L. Lawshe, vice chairman and business manager who, in explanation of the scope of his office said his duties ranged from bookkeeper to rat catcher.

"It takes all kinds of people to make a world," said he. "We have the patriotic class who are giving their time and money wholeheartedly to the Red Cross. Some who are hardly able to give at all are giving, giving, giving. Others who could easily give are hardly giving at all. At the beginning of the war we were advised by the government to 'give until it hurts.' At that time there were people who gave a quarter. It hurt so badly they haven't given anything since.

"Patriotism is a peculiar substance. It doesn't take much patriotism to buy Liberty Bonds; they pay four per cent interest semi-annually and are free from all taxes.

"It doesn't take intense patriotism to buy War Savings Certificates or Thrift Stamps; they pay four per cent interest compounded quarterly.

"They are good investments for people who have the money.

"But did you ever consider what the government expects us to do with respect to War Savings Certificates and Thrift Stamps.

"To meet the apportionment for Southern California it will be necessary for every man, woman and child to invest forty cents—almost two-bits a week—in them.

"The apportionment the people are expected to take this year is two billions of dollars and the people of moderate means and small incomes are expected to buy them and leave the Liberty Bonds for the wealthier people. Yet the government's expectation for this year is forty cents per week for every man, woman and child in the country.

"We have a class of people who are not really unpatriotic, they are simply indifferent. They have not been aroused into action. They are willing to let George or Mary do it.

"And Mary is doing it. The generous people of Glendale have pledged the money for the materials; we want the workers.

"We want workers and instructors for every day in the week and one night each week. We want to keep this work room open for surgical dressings work every Thursday night. Will you be one of them? If so, enroll your name. We will endeavor to give you every Thursday night some sort of entertainment, lecture or something worth while.

"I regret to say that we have in Glendale a few Red Cross knockers; but thank God we have many more boosters. The other day an unknown voice called over the office 'phone: 'I don't see what use there is in paying money to the Red Cross when you have a lot of people down there getting big salaries.'

"Big salaries? We have no salary list. Our cashier gets only \$10 a week for about three times that value of service. She is on the job all of the time. Our janitor, a High School boy, gets a dollar a week. That is our salary list. The Vice Chairman left a salaried position to work for the Glendale Red Cross. He isn't entitled to any particular credit. When he worked for the government in the past it dealt generously with him. He would be a slacker now if, in its hour of need, he were not willing to do what he can for his country. This is a time of crisis. The government needs the help of all of us. There is a place where everyone, boys and girls and grown-ups may do something. And, friends, there is a joy in service. I know it. Our splendid working women know it. You will feel it and know it if you likewise will enter into service if you are not already enlisted.

"Somewhere in France our boys

PATRIOTIC ENDEAVOR

THE THEME OF PACIFIC AVENUE P-T. A. MEETING THURSDAY AFTERNOON

A most interesting "Patriotic" program was given by the Pacific Avenue P-T. A. Thursday afternoon, February 14.

After the Board meeting adjourned, the many mothers and friends of the children attending this school assembled in one of the class rooms and listened to a program worthy of great admiration.

The meeting opened with the "Salute to the Flag," followed by the "Star Spangled Banner," in which every voice joined and rang out with an air of conviction, pride and determination.

Several important announcements were made among them one by Miss Eva Daniels concerning the reception to be given Dr. Jessie Russell Monday evening in the High School Auditorium. The importance of mothers attending the "Reading Circle" held in the home of Mrs. Chas. H. Toll, was discussed and urged by the President, Mrs. Minnette Sherman and Mrs. P. O. Lucas.

Mrs. Ben Nichols sprang the surprise of the afternoon in bringing out from a knitting bag, wearing apparel made by the Junior Red Cross from various localities. Most wonderful little garments they were, dresses, rompers, caps, hoods, booties, blankets and ever so many more things made out of every conceivable, otherwise useless and discarded article or garment, from a stocking to a mattress cover. Why we really never knew just how to be patriotic, to economize, nor to do our bit until we had been taught at this meeting. The program was then turned over to Mrs. O. E. Von Oven, Patriotic chairman.

Mrs. H. R. Boyer contributed a piano solo and with a strong, firm touch carried us through her musical selection from the time war was declared, over the many obstacles in our path, across the great waters to certain victory. Never one did a note fail to drive home its meaning in that all inspiring "Patriotic Medley."

Two recitations were given by Miss Doris Packer displaying a wonderful memory, perfect ease and most of all the ever enchanting, much sought after—youth.

Mrs. G. D. Roach rendered in a sweet, pleasing manner two vocal selections. The "Marsellais" sung first in English and then French brought forth hearty applause.

Prof. Richardson D. White followed with an address on "Schools and the War." Speaking in a plain convincing manner, pointing out the importance of school education as best fitting boys and girls for the country's great needs in the future, Prof. White discouraged the idea of taking boys from their school to farm the land, but strongly advocated the co-operation of the twenty-three million of school children in Junior Red Cross work. The meeting closed as all sang "America."

ANNEXATIONS

The Grand View District is voting today on annexation to Glendale.

Representatives of the Kenilworth District filed a notice Thursday night at the Trustees' meeting that they intended to circulate a petition for annexation to this city. It is understood that one or two more annexation projects are simmering.

are now facing the big guns and are giving shell for shell, and I might say 'Hell for Hell.' Some of our boys are going to make the supreme sacrifice. What a consolation it will be now and in the years to come to these workers for the Red Cross that they did all they could to alleviate the pain."

John Hyde Braly, president of the Chapter, followed with a brief review of the growth of the Chapter. He said he felt it was to be congratulated on two great acquisitions, first, the donation of its splendid quarters which are given rent free by a generous Los Angeles man; second, the services of Mr. Lawshe as chairman, who has organized and put it on a good working basis. Mr. Braly declared that after visiting other Chapters in Southern California he was prepared to assure his audience that for its size, Glendale's Chapter in quarters and workers is second to none.

Mrs. Eva Tuft Chairman of Surgical Dressings department, who was present with about fifteen workers in their Red Cross aprons and head-dress, showed the work the classes are doing, the sorts of compresses and bandages they have made, stated that the average daily attendance is fifteen and that 1000 compresses cut and folded, is a good day's work

In Looking Backward

when this war is history, how would you feel, if you had to remember that in this greatest time in the history of the world, when every man, woman and child was glorified by the thought of service to humanity and devotion to ideals which were to lift the world to a higher plane and make it new in universal brotherhood—how would you feel if you had not contributed one dollar or one effort?

ordered to be received and filed with the original letter.

On motion, Resolution No. 985, "A Resolution of the Board of Trustees fixing the salary of City Engineer," was taken up for reading. On motion of Trustee Muhleman, the same upon being read, was adopted.

The City Manager presented specifications for Motor Propelled Auto Fire Engine, hose and certain other extra fire fighting equipment, and on motion of Trustee Jackson, the same were ordered to be read.

On motion, Resolution No. 986, "A Resolution of the Board of Trustees of the City of Glendale adopting specifications for one motor propelled auto motor fire engine, hose and certain other extra fire fighting equipment," was taken up for reading. On motion of Trustee Jackson, the same upon being read, was adopted.

On motion of Trustee Grist, it was ordered that the Clerk advertise for bids in accordance with the above specifications to be opened at eight o'clock p. m., February 28, 1918.

The Clerk reported the filing of a notice by Mrs. Blenda Gillett and seven other citizens, announcing their intention to circulate and file

in the City of Glendale a petition asking the Board of Trustees to call an election for the annexation to the City of Glendale of the District which they represent; adjoining the city boundary on the west. On motion of Trustee Muhleman, the notice was ordered to be read, and upon being read was ordered filed.

On motion, Resolution No. 987, "A Resolution of the Board of Trustees of the City of Glendale acknowledging receipt of notice given by certain electors of the Kenilworth District, more particularly described therein, declaring their intention to circulate a petition in said district asking for the annexation of said District to the City of Glendale," was taken up for reading.

On motion, the same upon being read, was adopted.

The City Engineer presented a sketch showing the condition of railroad tracks on Glendale Avenue north of Broadway, and he reported having seen the officials of the Salt Lake Railway Company and the Glendale-Montrose Railway Company in regard to changes that the city desires to have made at that point. He stated that these officials had agreed to make certain improvements, which it was thought would obviate the trouble at that place.

On motion, Ordinance No. 323, "An Ordinance of the City of Glendale declaring the intention of the Board of Trustees of said city to call an election in that part of the City of Glendale contained within the boundaries of a proposed municipal improvement district, to be known as 'Municipal Improvement District, Number 1, of the City of Glendale,' for the purpose of submitting to the qualified electors of said District, the proposition of authorizing the issuance and sale of bonds of such district," was taken up for third and final reading, and upon being read, was on motion of Trustee Muhleman, adopted.

On motion "An Ordinance regulating the presenting, auditing and paying of demands against the City of Glendale by amending Section 2 of Ordinance No. 296-A," was taken up for first reading. On motion, this ordinance was declared read for the first time and was taken up for the second reading. On motion, this ordinance was declared read for the second time and was laid over till the next regular meeting for the third and final reading.

The City Manager presented a communication in regard to the annual assessment and collection of taxes, accompanied by a statement of the expenses of this work for the past year; also giving the reasons why it is considered desirable that the city make the assessment and collect its own taxes in preference to having the work done by the County. On motion of Trustee Grist, the communication of the City Manager was accepted and the plan approved.

POTATOES, or Spuds, as commonly called in California, are being harvested at the present time and are one of our largest crops. They are very high in food value and it's up to us to use them and in this way conserve on other products.

At the present time with shortenings out of sight and our having to conserve on White Flour we sometimes wonder what to serve for desserts. In our estimation there is nothing so HEALTHFUL, CHEAP, or QUICKLY PREPARED as GELATINE DESSERTS—the children all like it and you can give them all they want—it won't upset their little systems as rich pastries might.

We are putting special efforts on DR. PRICE'S JELLY DESSERT this week. Although our price is low, this article is classed with the best.

Personals

Mrs. F. E. Alexander of 1521 Ivy Street, has gone to Montana on a business trip.

Chicken thieves are operating again quite boldly and two members of the police force have been specially detailed to round them up.

At the Pinchon lecture to be given Saturday evening in the High School Auditorium, Rev. N. J. Wright will preside, Miss Edith Salyer will sing and Mrs. John A. Wright of New York will give piano numbers.

Audrey Stokes, formerly of Glendale, was one of the whistlers who took part in the Knights of Pythias Red Cross Benefit Tuesday evening at the Shrine Auditorium. She will also appear at Hotel Raymond, Pasadena, February 21st.

The Filipino who was arrested for the theft of hose had a hearing in the court of Judge Lowe, City Recorder, Thursday and was convicted on three counts. He was sentenced to six months in the county jail on each count which will mean 18 months' imprisonment less a possible reduction of one month on each count for good behavior, i.e. 15 months. Officers who visited his place to see if they could locate other stolen goods found a very tiny residence and ten dogs.

R. J. Leonhardt, 844 South Columbus avenue, was summoned by telegram this week to Northern California to take charge of the work of a large reclamation company. By a strange coincidence, C. W. Chalfant, cousin of Mrs. Leonhardt, boarded the same train bound for Portland, Oregon. If Mr. Leonhardt is compelled to remain until the close of the school year, he will probably be joined at that time by his wife and family.

MISSIONARY MEETING

The Woman's Foreign Missionary Society of the First Methodist church gave a most interesting program Thursday afternoon in the church parlors. Mrs. E. D. Potter led the study "Under the Crescent and Among the Kraals."

The Reasons

I quit the real estate business long ago because it is difficult to serve two masters without incurring the criticism of one or both. The seller wants you to get him a top price for his property and the buyer wants a big bargain for his money. To steer between these two extremes without a scorched reputation is practically impossible, no matter how honest the broker may be. Often the broker is mistaken in his estimates of values and his advice gets somebody into an unprofitable investment. The fact that he has received a commission for a piece of advice that was erroneous leaves him open to suspicion.

So I confine my efforts to mortgages, insurance and escrow work. When I sell a mortgage to you I am sure you are going to get value received for your money. When I loan you money I know you are not going to be held up by excessive charges. When I sell you insurance I know you are getting as good value as money will buy. When I undertake to represent you in your escrow matters I have no incentive except to render the highest service for which my long experience qualifies me.

Now you know why I quit the real estate business.

Mr. and Mrs. W. G. Watson were special guests at a dinner given by their daughter, Mrs. F. H. Reed, at her home 332 South Adams street, to celebrate the fifteenth birthday of her son Ernest Watson Reed, Thursday evening. Valentines were used as place cards and a beautiful birthday cake had a place of honor.

DEATH OF BABY

Little Woodrow Wilson McIrvin, son of Mr. and Mrs. Jack McIrvin of Los Angeles, is dead at the age of two years, ten months and 26 days. His mother is a sister of Grover C. and Raymond L. Taylor, the well-known plumbers of this city, and is the daughter of W. C. Taylor of Los Angeles.

The baby was apparently in splendid health until Wednesday night, when he was suddenly taken ill. He was conveyed to the Children's Hospital in Los Angeles and everything possible for his relief was done, but he died Thursday at one o'clock. He was a beautiful, cheery child and leaves a big vacant place in his home.

Funeral services conducted by Dr. Reamer of the First Friend's Church of Los Angeles will be held at the residence of R. L. Taylor, 1318 West Ninth street, Saturday morning at 10 o'clock. Interment will be made in Forest Lawn Memorial Park.

NOTICE

The City Clerk is hereby directed to give notice that sealed bids will be received by the Board of Trustees of the City of Glendale until 7:30 p. m. of Thursday, February 28th, 1918, for the following items:

One (1) Motor Propelled Auto Fire Engine with 750 gallon pumping capacity and certain other fire fighting equipment.

Two Thousand (2000) feet of Fire Hose, and

Pump to be installed on Knox Fire Apparatus now in use in the Glendale Fire Department, complying in all respects with the specifications therefor on file with the City Clerk, entitled, "Specifications for Motor Propelled Auto Fire Engine, Hose and certain other extra fire fighting equipment."

Bids will be received for any and all of the above mentioned items.

Each bid must be accompanied by a check certified by a responsible bank, payable to the order of the Board of Trustees of the City of Glendale for not less than five per cent of the aggregate sum of the bid as a guarantee that the bidder will execute the proposed contract should he be the successful bidder.

The City reserves the right to reject any and all bids.

J. C. SHERER,
 City Clerk of the City of Glendale.

AN EGGSPERIMENT WHEN IS A NEGG NOT A NEGG?

The different names under which eggs supposedly fresh are sold and can still be cold storage: Ranch Eggs, Yard Eggs, Selected Eggs, Pullet Eggs, Petaluma Eggs, or simply Eggs.

The law says an egg is fresh for 59 days. On the sixtieth day it is called cold storage.

When you buy eggs see that they are designated strictly fresh eggs, selected large size (pullet eggs sell for 5 cents a dozen less).

Booth does not handle any cold storage eggs or eggs imported from China. Every egg Booth sells is guaranteed.

Any good housewife can tell a fresh egg as soon as she breaks it.

RED CROSS OPEN HOUSE

(Continued from Page One)
 for that number of workers from 10 to 4:30 o'clock.

Mrs. George D. Carter showed the great piles of sweaters, helmets, socks and mufflers which have been manufactured and which are to be shipped this week and stated that a call has just come for all the socks the Chapter can prepare, and for mufflers and helmets for aviators and submarine crews.

The work of the school children under Miss Midcalf and Mrs. Moulton was also exhibited, the knitted blankets and wash rags, which were later examined with the greatest interest, also the ambulance pillows exhibited by Mrs. Betz for which 250 children are cutting material.

Mrs. A. C. Anderson displayed the khaki colored comfort bags and their contents stating that a call has come for more of these kits, which is interpreted to mean that more soldiers are to be called in the near future.

In behalf of Miss Douglas the chairman stated that her exhibit would have to consist of dollars since that was what it ultimately amounted to, and that the salvage department of which she is the head, has contributed \$521 to the chapter since its organization. (Applause.)

Mrs. Ben Nichols showed work for Belgian relief which she borrowed from the Pasadena Chapter to exhibit to the school children as samples. All the articles were made from scraps, some of them from stocking legs, and they furnished a wonderful lesson in the saving of materials ordinarily wasted.

The work of the Glendale High School girls under Mrs. Bement was then shown, beautiful little garments that any mother might covet.

Another interesting exhibit was the scrap books for sick soldiers which were shown by Miss Bullard of the High School.

The great success of the Red Cross Shop and of the business lunches served there and of the work of Miss Douglas, Mrs. Ezra Parker and Mrs. Jack Boettner in this connection, was reported by the chairman with the statement that \$63 had been turned in as receipts of the shop from January 9th to February 6th.

Dr. Harrower called attention to the work of High School boys in the Manual Arts Department who have made all the packing cases for the Chapter and who are now manufacturing crutches for the Red Cross.

The regular program was then given. Dr. and Mrs. H. N. Pfeiffer contributing a piano and mandolin duet which was charming and which consisted of selections from "Il Trovatore."

Miss Margaret Lusby sang the always popular "Keep the Home Fires Burning" and in response to an enthusiastic encore, gave "Joan of Arc."

Little Miss Mary Young was then summoned and in order that all might get a good look at her small person, she was mounted on the table in the Knitting Department. She recited in quite a wonderful way "In Praise of Righteous War" by Walter Malone.

The concluding number was a "Military March" played upon the piano by Robert Tower who so pleased the audience that he had to give an encore. In a brief interval Doctor Harrower improved the opportunity to speak of the work of Dr. Chase who has been conducting classes in "First Aid" for the Chapter, and of the service of Mrs. Thatcher who has charge of Home Nursing classes. He suggested that contributions of small change are always welcome and tin cups began to circulate through the audience for the collection of coins.

Following the program, tea and wafers were served in one of the rooms of the chapter.

The help you give in time of need is the help that is worth while.

It is the patriotic duty of all users to avoid waste of gasoline.

A saving of one and three-quarter pints each day for each automobile and truck will insure enough for government needs for the coming year.

Let us help you by giving you printed instructions (how to save) which are free for the asking.
